

ALVA

PVC Conduit SCH.40 Fittings Center stop coupling

Join two sections of conduit with the PVC center stop coupling, engineered for secure and code-compliant connections in electrical conduit systems. The integrated center stop ensures accurate alignment and depth control, making installation fast and reliable.

- Molded from high-strength, weather-resistant PVC for long-lasting durability
- Center stop provides precise conduit positioning and alignment
- Compatible with Schedule 40 and Schedule 80 PVC conduit

- Compliance:
ETL Listed for safety and code compliance

PVC Conduit Center stop coupling							
Part No.	Item description	Weight	W	L	ID	OD	BOX QTY
MC01U	1/2" PVC Coupling - Conduit	0.0267	0.691	1.501	0.852	1.075	150
