

# PVC Conduit SCH.40 Fittings

## Reducer bushing

Transition between different conduit sizes with this high-strength, PVC reducer bushing, engineered for smooth wire pulling and a secure fit. It delivers a clean, professional connection in electrical conduit systems, maintaining integrity and ease of installation.

- Molded from high-strength, weather-resistant PVC for durability and performance
- Smooth interior surface allows for easy wire pulling and reduced friction
- Compatible with Schedule 40 and Schedule 80 PVC conduit

- Compliance:  
ETL Listed for safety and code compliance
